
The Consulate General of the Republic of Poland in Los Angeles
is pleased to announce

Poland-Silicon Valley
Technology Symposium
Palo Alto, CA
December 4th-7th, 2010

The goal of the Symposium is to facilitate technology, manufacturing, and trade exchange between US and Polish entities. The Polish delegation will include the leaders of industry and academia as well as government officials. Their American counterparts will be Silicon Valley companies interested in exploring market opportunities and establishing business relationships with Poland.

The 2010 Symposium will address the application of technology in vital areas of Polish and Californian economies:

- water supply security and flood protection,
- clean energy monetization,
- smart grid technology and economics, and
- related business and investment opportunities.

Poland-Silicon Valley Technology Symposium is organized under the patronage of:
Deputy Prime Minister of the Republic of Poland Waldemar Pawlak
Ambassador of Poland to the United States Robert Kupiecki
US Consul General in Krakow Allen Greenberg
Consul General of the Republic of Poland in Los Angeles Joanna Kozinska-Frybes
