

PHILANTHROPY THROUGH SPORTS VICTORIES FOR YOUTH

The Taube sports-related collaboratives assure a winning season for Bay Area youth.

Taube Philanthropies helps its grantees achieve impact and become winners through collaborative giving. Working in partnership with leading sports teams in the Bay Area, Taube Philanthropies multiplies the dollars invested in programs for at-risk youth by collaborating with major professional sports teams that care as much about winning as about giving back to the community.

In concert with a community of donors and in collaboration with Bay Area professional sports teams, Taube Philanthropies helps support a number of affiliated youth organizations that provide mentoring and tutoring and a safe after-school environment for at-risk youngsters.

“Achieving desired impact is what it’s all about. If you can make a positive impact, then you’ve accomplished whatever philanthropic mission you’re on.”

—Tad Taube

49ers Foundation Touchdowns for Kids

The idea behind Touchdowns for Kids (TDK) is simple: every time the San Francisco 49ers score a touchdown or a field goal or a defensive play, TDK and its collaborative partners provide a pre-established dollar amount to help underserved Bay Area youngsters.

Since launching the program in 2011, Taube Philanthropies, the 49ers Foundation, and other donors have contributed over

\$1,964,000

to support **38** preselected Bay Area charitable organizations that support at-risk youth through TDK on-field competition.

Warriors Community Foundation

HOOPS 4 KIDS

Every time the Golden State Warriors basketball team tosses a 3-point basket, it generates \$500 for selected Bay Area organizations supporting at-risk youth. The funds are donated by Taube Philanthropies and its collaborative partners to help make everyone a winner, regardless of the final score.

Since launching the program in 2013, Taube Philanthropies, the Warriors Community Foundation, and other donors have contributed over

\$2,789,000

to support **30** preselected Bay Area charitable organizations.

Sharks Foundation GOALS FOR KIDS

The San Jose Sharks hockey team scores numerous times during each season, and every goal since 2014 has helped youth in the Bay Area through the Goals for Kids program. For each goal, the Sharks team generated \$1,000 for local organizations dedicated to supporting underserved youth and families through Taube Philanthropies and its collaborative partners.

Since launching the program in 2014, Taube Philanthropies, the Sharks Foundation, and other donors have contributed over

\$1,447,000

to support **27** preselected Bay Area charitable organizations.
